INDUCTION CEREMONY

GREATER PEORIA HIGH SCHOOL COUNCIL

In 1949 a new project was started by the Advisory Committee of the Student Council. The Greater Peoria High School Council was formed on September 20, when representatives from Peoria Central, Manual, Woodruff, East Peoria, and Pekin high schools met in the Social Room.

It is the hope of the group that they can help to create a friendly feeling among the schools of the Peoria area through the solution of mutual problems and exchange of ideas.

The young 1949 edition of the gridiron Chinks amassed a total of 148 points compared to 67 for their ten opponents as they made Memorial Stadium's second season a second successful one, capturing six wins against three losses and one tie.

Carlinville's Cavaliers were no match for the well balanced Mandarins in the season's opener. The Chinks administered their second straight whitewashing a week later at East Peoria. The Chinks retained the plowshare in their next outing, but were a little disappointing as they tied Canton.

The undefeated streak advanced to four against Lincoln even though the Railsplitters became the second team to cross the Celestial goal line. The stage was then set for the big game of the season against Manual's conference champions. Before a capacity crowd at Peoria Stadium, Pekin failed to score for the only time of the season, losing a possible tie on a disputed play.

The Mandarins, with sophomores seeing plenty of action, returned to the victory trail by nipping Streator's Bulldogs in a rain-soaked encounter. Homecoming and the alumni queen, Ilene Ozella, spirited Pekin on to its fifth win, topping Central, 17-7.

The big sore spot of the season came at the hands of the Spalding Irish who broke another Peoria Stadium game wide open with three last quarter touchdowns to break a 6-6 tie and give Pekin its only "clear cut" loss of the season. The Chinks then bounced back with a vengeance to wallop Bloomington by five touchdowns.

The final game of the season upset the sports experts, as an unheralded Woodruff squeezed past a tired group of Chinks, 14-13.

PEKIN REGIONAL

Pekin	54	Deer Creek-Mackinaw	41
Pekin	39	Morton	57

After a forecast of a none-too-bright season because of lack of experience, the Chinks, with only two returning lettermen, Harry Pollman and Bob Rudolph, started the season with a bang, taking nine straight victories before tasting defeat at the hands of East St. Louis.

Highlights of the season came when the Mandarin's downed Rock Island to win their own Christmas Tournament, and later in the season when they unexpectedly stopped the highly-rated Decatur Reds, 59-58, in the season's most thrilling game. Pekin ended its regular season with a 14-10 record.

In the second regional game following an easy 54-41 victory over Deer Creek - Mackinaw, a determined, aggressive Morton five ended Pekin's basketball season by the score of 57-39. Coach Jim Lewis' liberal use of sophomores gave hopes of future visits to Champaign and the state tourney, as the sophs more than once saved the day for PCHS.

Pekin High's wrestlers climaxed one of their biggest years by capturing a tie for fourth place in the state tourney at Proviso. Coach Jim Custer's wrestlers were the power of the Big 12 Conference, taking the title from Champaign in the first tourney ever held in the Celestial City. They compiled a regular season record of ten wins (including two over Champaign, perennial Big 12 leaders) against two defeats, both inflicted by two of the state's top five teams, and oddly enough, both on the home mats. The '49 schedule provided a number of intersectional matches, the top match occurring in Chicago as the Chinks deadlocked mighty Tilden Tech in its own back yard.

Coach Harry Anderson guided the Pekin Chinks to 22 victories against only four losses in his second season at the diamond helm.

After racking up wins in their first nine games, the Chinks dropped their first in a squeaker to Bloomington, 4-5. The other three defeats came at the hands of the class of Central Illinois, the Manual Rams, twice, and to U. High in the first game of the sectional.

Top hitter for the diamond Chinks was freshman shortstop, Dick Heihs, with a .400 average. Leading the Celestial flingers was Pete Gambetti, who won seven and lost none.

A new era in Pekin High track annals was inaugurated in 1949 as the Chink thinlies, under the leadership of Bob Wilson in his first season as Chink mentor, broke even in six meets in the first season on the cinders of Memorial Stadium. Highlights of the season were the qualifying of distance runner, Bob Rudolph, and shot putter, Pete Vetter, for the state meet, and the Big 12 meet held in the stadium.

Given little chance to equal the records of recent Moss-coached tennis teams, the inexperienced 1949 squad nevertheless came through with a creditable dual meet record of nine victories and three losses, the latter by a total of only five points. The first two wins ran the three-season Chink string to twenty-one straight. For the seventh consecutive year the Madarin netsters won the district title.

The greatest golf squad in Pekin High history was also the state runner-up in 1949, as the Chink links-men captured thirteen dual meet victories against but one loss. The golfers of Coach Jim Lewis also gained three tournament titles, climaxing their season with the finest effort of any '49 Mandarin team, dropping the state championship to Kewanee.

SPRING FROLIC

CHINA DOLL FLIRTS WITH CAPT. WOODENHEAD

"The Toymaker's Dream" was a pantomime enacted by the Tap Club in the 1949 Spring Frolic. Toe, tap, acrobatic, character, and ballet dancers dramatized the story of the jolly little toymaker who dreamed that his puppets danced and romanced as human beings do. In his imaginary world of fantasy, Wooden Soldiers, Walkie-Talkie Dolls, Clown Puppets, Rag Dolls, and Cookie Soldiers all played their part in the romantic plot. The toymaker's dream came true and all ended happily with a wedding for the Little Napoleon and the Magic Doll.

OUR OWN TELEPHONE QUIZ

America has 1 telephone for every 5 persons. What would your guess be for Great Britain—Russia?

The answers are:

Great Britain 1 telephone for 12 persons.
Russia 1 telephone for 125 persons.

Here's another example of how much more good the American economic system does for us than any other system does for any other people.

There's light for your next step!

You may know well the next step you wish to take in your upward climb after graduation. You may have in mind exactly the profession you wish to follow, the occupations you will choose — and as an American, are free to choose.

Yet you may be uncertain which step to take. You may not know that teaching, machine tool operation, farming, stenographic or sales work is your field.

AND HOW ARE YOU TO TELL?

There are people who can help you — who can discuss various fields of endeavor, who will talk with you about your aptitudes and interests. By all means discuss this most important step after graduation with your teachers, your parents and those engaged in activities which interest you. You will find all of them eager to pass along their experiences and to give you guidance if you wish it. They can throw light on your next step — and help you make your years ahead better in every way.

Congratulations on the step you have already taken — this step in education you are just completing.

Success Is Here At
Bradley University!*

Bradley, as one of America's strong medium-sized universities, combines the advantages of the very large university with the personal attention provided by smaller colleges. Dr. Ralph McDonald, chief of the division of higher education, National Education Association, recently stated, "Bradley has the highest accredited rating that an institution can achieve in the United States."

Extracurricular activities at Bradley surpass those of all but the very largest universities. Bradley has more than a hundred clubs, sororities, and fraternities catering to a wide range of interests.

Bradley University offers over 1000 courses in over 60 areas of study. Its free lecture-arts series is not equalled in any university in the United States. The University is accredited by all the major accrediting agencies.
